

Manufacturer

of Hygiene and Personal Care Products
for Daily Comfort

Overview

Celltex, founded in 1992, is a Slovak family-owned manufacturer and wholesaler personal hygiene products, that come at high quality and competitive price. Besides the own portfolio of brands, the company manufactures private labels for European retail chains and customers with own parameter requirements for foreign markets.

We provide a full range of services including product research, design, full scale production, sales and marketing.

Quality Center and Innovation

Celltex operates its laboratories that are backed with state-of-art technology and trained staff. Our in- house laboratory continually tests the absorbency, durability, strength and quality of our products.

Each step of our production process is carried out following the stands of quality management sys-tem ISO 9001. Our laboratories are IFS Certified, meaning that we have an established system to ensure the quality of our products.

OUR PRODUCTS

Baby care

Babies require the best products to eliminate moisture, avoid leak risks, and maintain ultimate comfort. Our quality control along with R&D team has prioritised these features to create safe, gentle and high performing products. Raw materials used are of the highest quality, regularly tested by international testing partners, hypoallergenic and without any perfumes, chlorine and toxins

Pure nature for your baby's bottom.

Diapers with 100% organic cotton on baby's skin

*Hypoallergenic for
sensitive skin*

*Chlorine, latex,
perfume*

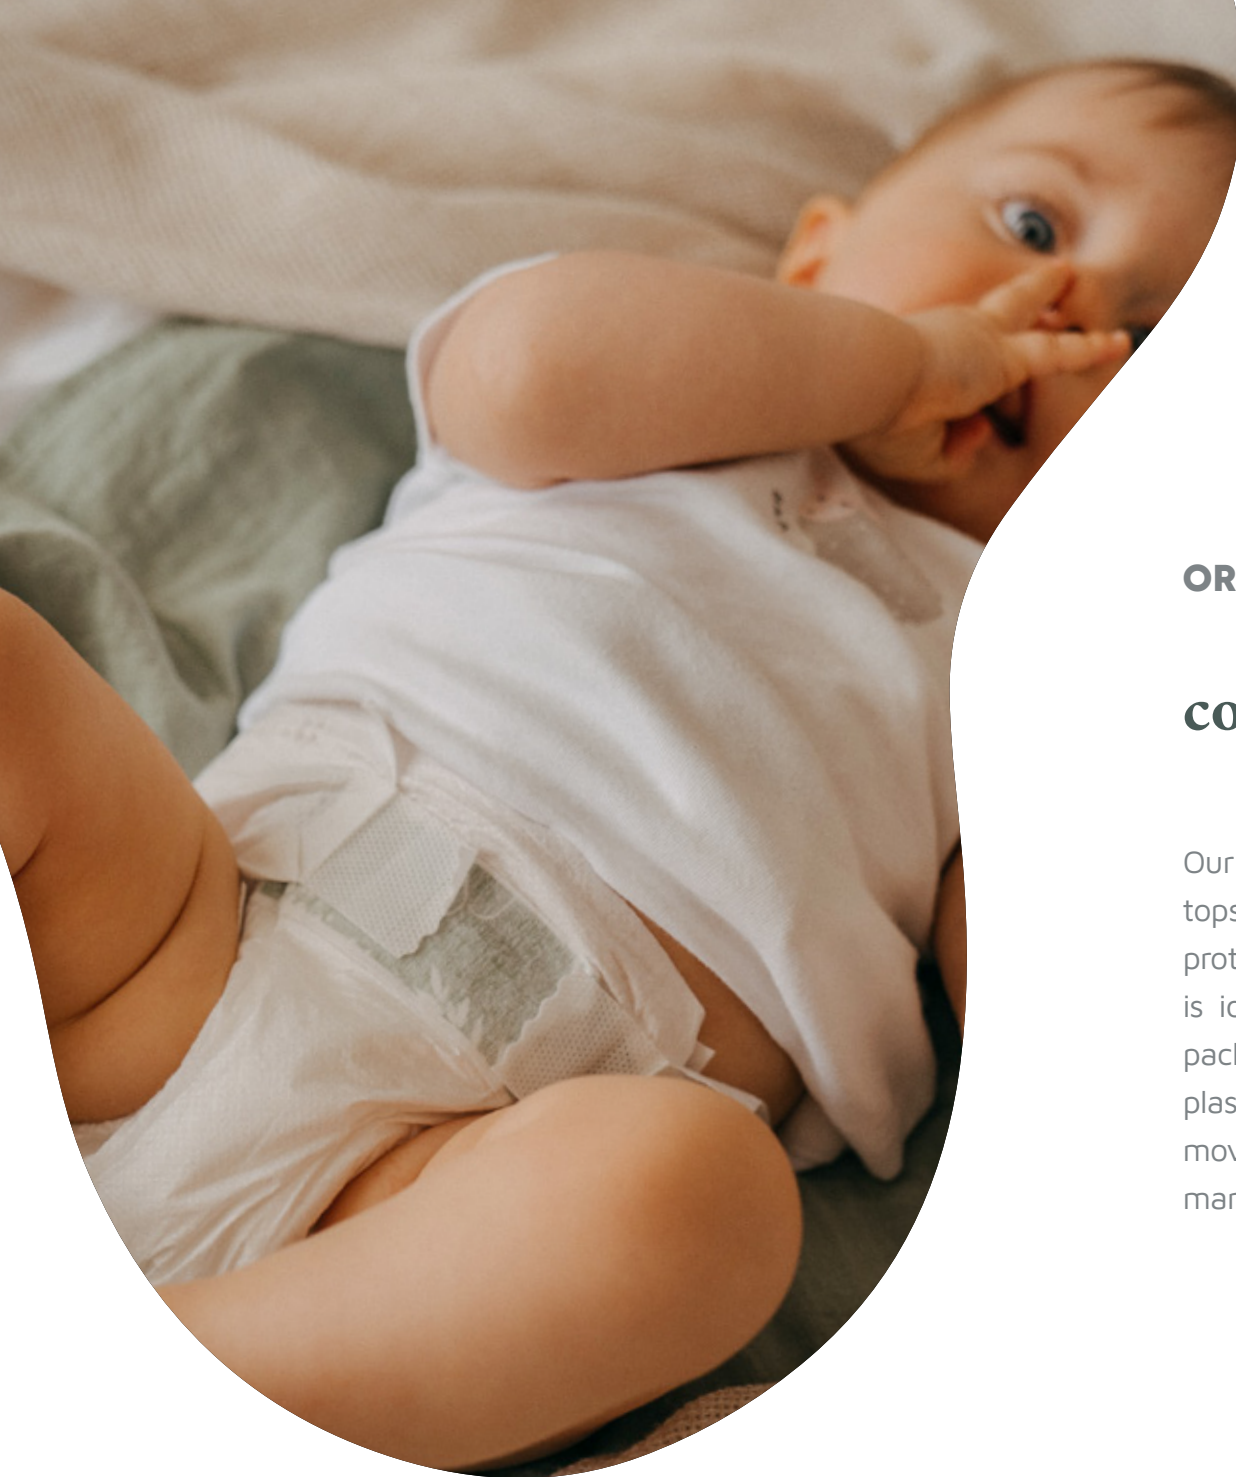

Super absorbing

*Absorbent core contains
natural pulp from certified forests*

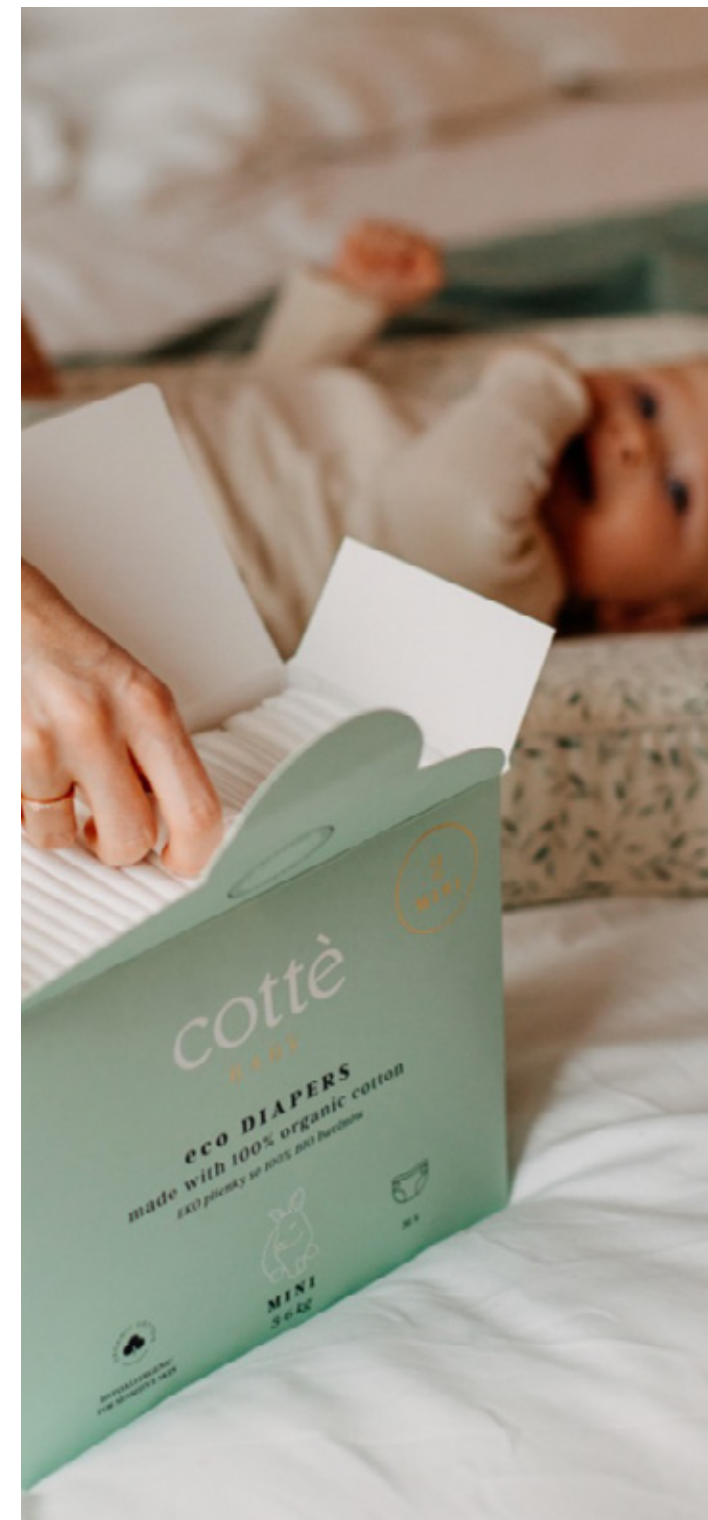

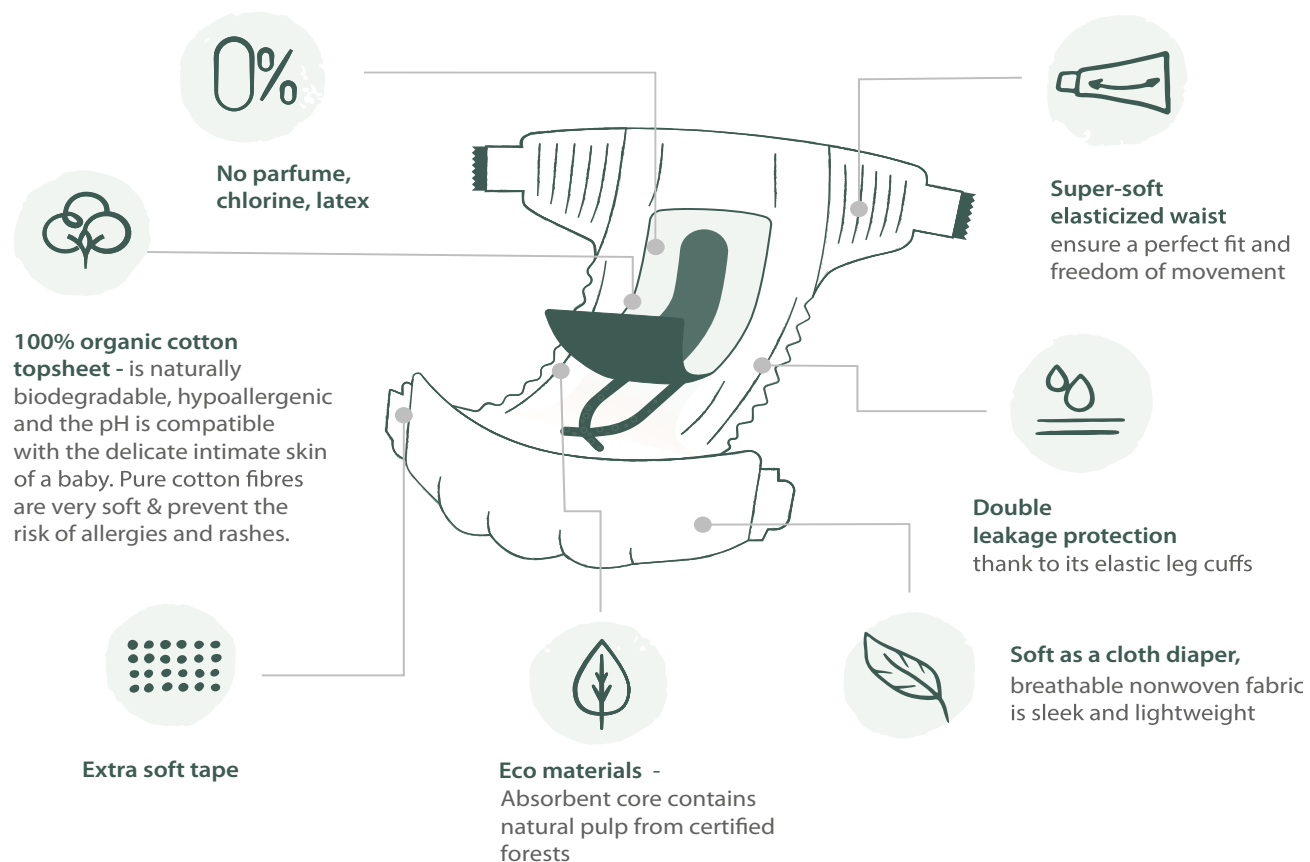

*Packed in a paper box,
no more plastic!*

ORGANIC COTTON DIAPERS

cotté Baby

Our new BIO diapers feature certified 100% organic cotton topsheet with ultra soft materials for natural and complete protection. Cotton helps to prevent skin irritations and is ideal for sensitive skin. Each set comes sustainably packed in biodegradable foil or recycled paper box. This plastic-less manufacturing approach is a concentrated move toward environmental sustainability—rare in the market, particularly for baby hygiene.

ABSORBING
CORE

A woman with long brown hair is lying down, her head tilted back and eyes closed, smiling. She is wearing a dark blue top with a white floral pattern. Her hands are clasped near her face. The background is filled with various flowers, including white daisies and small white blossoms.

Feminine Care

We manufacture a wide selection of female hygiene products that allow us to cater to all kinds of industry demands. Designed to offer high absorbency, leak protection and extra comfort. Choose from our range of panty liners, ultra and anatomic pads and tampons.

Cotté Lady Made with organic cotton

Our range of pads, panty liners and tampons contain 100% certified organic cotton, free from toxins, chemicals and perfumes for safer period products that are gentle on your skin.

The soft, 100% organic cotton is ideal for gentle intimate skin, offering both natural and safe protection. Our cotton is grown in the traditional way, without the use of any chemicals. Cotton is naturally biodegradable, hypoallergenic and the pH is compatible with the delicate intimate skin.
